

FISCAL NOTE

SR 91

April 4, 2000

SUMMARY OF BILL: Requests the State Board of Education to study the feasibility and associated costs of increasing the actual average statewide BEP state-funded portion of instructional salaries and employer-paid insurance premiums per instructional position to the Southeastern average for comparable instructional positions.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - Not Significant

Assumes that any additional costs to the state board associated with the study are estimated to be not significant and can be handled within the existing budget.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
